

INTERESTED IN STUDYING ABROAD?

Find all the information you need to know to get started below!

The modules we offer are:

- **Year Abroad Study Exchange (ML5008)**
Study abroad for an academic year at one or two of our partner universities, through ISEP or even combine studying abroad with a volunteering experience in your third year of study. This would make your course four years in total. Affordable options are available. Funding through Student Finance and funding scholarships are available to apply for.
- **Short-Term Placement Abroad - Experiential Overseas Learning (ML5004)**
Study, work or volunteer abroad from 4 weeks up to 3 months as an alternative to Work-Based Learning (WBL) after Easter in your second year. The opportunities we offer can vary from year to year. Opportunities cost from £500 up to £3,000 and funding scholarships are available to apply for. Attendance is compulsory and a component of assessment.
- **Developing Intercultural Literacy and Cross-Cultural Skills (ML5104)**
Runs in the Work-Based Learning (WBL) Period (April/May of your second year). Focusing on cross cultural awareness, intercultural competence and employability, this module has been developed to prepare you for overseas travel, concentrating on graduate employment and aims to develop your skills in order to mobilise you. Attendance is compulsory and a component of assessment. *(Overseas travel is not required)*

All study abroad opportunities are eligible for some funding assistance!
Applications open 31st August before your second year of study (level 5)
and our priority deadline is 15th November.
